You are receiving this letter as the landowner of a property encumbered by a surface lease or order under Part 17 of the *Petroleum and Natural Gas Act*.

This is to advise you the property taxes associated with the oil and gas activity have not been paid.

This is for your information only as the person carrying out the oil and gas activities on your property is responsible for paying the property taxes on the land and improvements associated with that oil and gas activity.

If you require further information, please contact the phone number below.
